

Philips Domestic Appliances and Personal Care

Service Manual

PRODUCT INFORMATION

Features

- Colour white/green
- Aluminium soleplate
- Tank capacity (150 ml)
- Integrated calc clean
- Steam rate (15 g/min)
- Spray feature

Safety Information

- This product meets the requirements regarding interference suppression on radio and TV.
- After the product has been repaired, it should function properly and has to meet the safety requirements and legal regulations set by the related countries.

TECHNICAL INFORMATION

- Voltage : 220 ~ 240 V
- Frequency : 50 ~ 60 Hz
- Power consumption : 1200 ~ 1450 W
- Dimension (F-box) : 272 mm x 107 mm x 140 mm
- Weight (Product) : 870 grams
- Water advice : Suitable for tap water use.
However if the tap water in your area is very hard, we advise you to mix it with a equal portion of distilled water or to use distilled water only.

Soleplate

The Aluminium soleplate used is smooth and corrosion free which treats fabrics gently.

Calc clean

The integrated Calc clean function ensure a longer lifetime using normal tap water by removing the scale out of the steam chamber.
