Electronic circuit / Housing Items 5 and 4

Alterations: From serial number 7014 on the functions of the keys were modified (see illustration below) and thus the housing graphics and the switch's internal structure were modified.

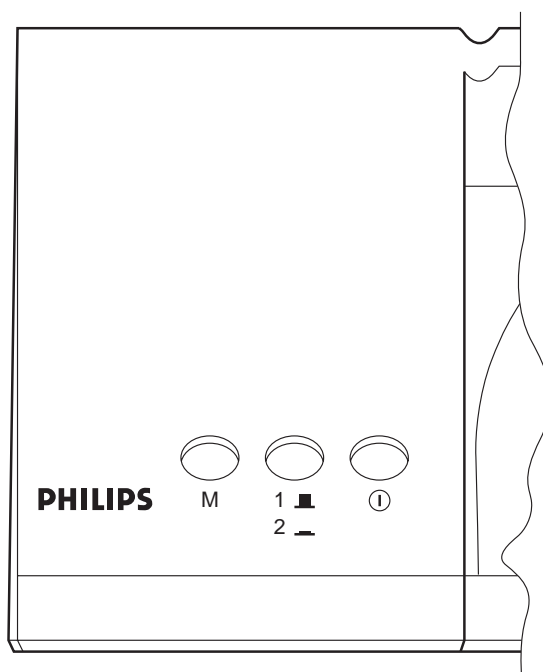

Old condition

with switch 4822 277 11644
and housing 4822 441 11836

New condition

with switch 4822 277 11697
and housing 4822 441 11999

Interchangeability: Both the modified housing and the modified switch (new condition) cannot be used in old sets (former condition).

Housing: Only the new version will be available; in order to use it in old sets the switch must also be replaced.

Switch: Both versions will be available (old and new conditions).
